Japan Export Vehicle Inspection Center Co. Ltd. (JEVIC)

Uganda RWI Announcement No.5 – RWI Program Resume

To all our valued clients,

The Uganda National Bureau of Standards has announced the recommencement of Used Vehicle Roadworthiness Inspection.

Following the announcement, JEVIC is pleased to advise you that we will resume RWI program from 9th of May 2011.

We would like to express our sincerest appreciation for your patience during this interruption of service.

To avoid any regulated penalty fees and inspection upon arrival, please ensure that all used vehicles exported to Uganda are inspected by JEVIC prior to departure.

Please do not hesitate to contact JEVIC office for further enquiries.

Kind regards

JEVIC Administration
